Future Developments

For the latest information about developments related to Form 8849 and its instructions or separate schedules, such as legislation enacted after they were published, go to www.irs.gov/form8849.

What's New

Changes are discussed under *What's New* in the instructions for each schedule.

Reminders

- You can electronically file Form 8849 through any electronic return originator (ERO), transmitter, and/or intermediate service provider (ISP) participating in the IRS *e-file* program for excise taxes. For more information on *e-file* and its availability, visit the IRS website at www.irs.gov/efile.
- Qualified subchapter S subsidiaries (QSubs) and eligible single-owner disregarded entities are treated as separate entities for certain excise tax and reporting purposes. QSubs and eligible single-owner disregarded entities must pay and report certain excise taxes (other than IRS Nos. 31, 51, and 117), register for certain excise tax activities, and claim certain refunds, credits, and payments under the entity's employer identification number (EIN). These actions cannot take place under the owner's taxpayer identification number (TIN). Some QSubs and disregarded entities may already have an EIN. However, if you are unsure, call the IRS business and specialty tax line at 1-800-829-4933.

Generally, QSubs and eligible single-owner disregarded entities will continue to be treated as disregarded entities for other federal tax purposes (other than employment taxes). Thus, taxpayers filing Form 4136, Credit for Federal Tax Paid on Fuels, with Form 1040, Individual Income Tax Return, can use the owner's TIN. For specific information, see Treasury Decision (T.D.) 9356. You can find T.D. 9356 on page 675 of Internal Revenue Bulletin 2007-39 at www.irs.gov/pub/irs-irbs/irb07-39.pdf.

Specific Instructions

Name and Address

Print the information in the spaces provided. Begin printing in the first box on the left. Leave a blank box between each name and word. If there are not enough boxes, print as many letters as there are boxes. Use hyphens for compound names; use one box for each hyphen.

P.O. box. If your post office does not deliver mail to your street address and you have a P.O. box, show your box number instead of your street address.

Foreign address. Follow the country's practice for entering the postal code.

EIN and SSN

Enter your EIN in the boxes provided. If you are not required to have an EIN, enter your SSN. An incorrect or missing number will delay processing your claim.

Month Income Tax Year Ends

Enter the month your income tax year ends. For example, if your income tax year ends in December, enter "12" in the boxes. If your year ends in March, enter "03."

Signature

Form 8849 must be signed by a person with authority to sign this form for the claimant.

Note. Your refund will be delayed or Form 8849 will be returned to you if you do not follow the required procedures or do not provide all the required information. See the instructions for each schedule.

Complete each schedule and attach all information requested for each claim you make, generally including the following:

- EIN (or SSN) on each attached schedule,
- Period of the claim,
- Item number (when requested) from the *Type of Use Table* below,
- Rate (as needed; see the separate schedule instructions),
- Number of gallons, and
- Amount of refund.

If you need more space for any line on a schedule (for example, you have more than one type of use) prepare a separate sheet with the same information. Include your name and EIN (or SSN) on each sheet you attach.

Additional Information for Schedules 1, 2, and 3

Annual Claims

If a claim was not made for any gallons during the income tax year on Form 8849, an annual claim may be made. Generally, an annual claim is made on Form 4136 for the income tax year during which the fuel was:

- Used by the ultimate purchaser;
- Sold by the registered ultimate vendor;
- Purchased with a credit card issued by a registered credit card issuer (except for gasoline and aviation gasoline);
- Used to produce biodiesel or renewable diesel mixtures, and alternative fuel mixtures; or
- Used in mobile machinery.

The following claimants must use Form 8849 (Schedule 1) for annual claims.

1. The United States.
2. A state, political subdivision of a state, or the District of Columbia (but see *Types of Use 13 and 14*, earlier).
3. Organizations exempt from income tax under section 501(a) (provided that the organization is not required to file Form 990-T, Exempt Organization Business Income Tax Return, for that taxable year).

For claimants included in 1–3 above, the annual Form 8849 for fuel used during the taxable year must be filed within the 3 years following the close of the taxable year. For these claimants, the taxable year is based on the calendar year or fiscal year it regularly uses to keep its books.

Although not an annual claim, the above claimants should use Schedule 3 (Form 8849) to claim the alternative fuel credit.

Note. Gasoline used by the above claimants on a farm for farming purposes (type of use 1) is an allowable use on Schedule 1 (Form 8849), line 1.

Paid Preparer Use Only

A paid preparer must sign Form 8849 and provide the information in the Paid Preparer Use Only section at the end of the form if the preparer was paid to prepare the form and is not an employee of the filing entity. The preparer must give you a copy of the form in addition to the copy to be filed with the IRS.

If you are a paid preparer, enter your Preparer Tax Identification Number (PTIN) in the space provided. Include your complete address. If you work for a firm, you also must enter the firm's name and the EIN of the firm. However, you cannot use the PTIN of the tax preparation firm in place of your PTIN.

You can apply for a PTIN online or by filing Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal. For more information about applying for a PTIN online, visit the IRS website at www.irs.gov/ptin.

Privacy Act and Paperwork Reduction Act Notice. We ask for the information on the form and schedules to carry out the Internal Revenue laws of the United States. We need it to figure and collect the right amount of tax. If you fail to provide all requested information in a timely manner, we may be unable to process this claim. If you provide false or fraudulent information, you may be liable for penalties.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential, as required by section 6103.
