

We have found that Rosco, who supplies the mirrors, offers a “Stainless Steel” mounting kit. This kit includes the actual Bell Mount washer and mounting carriage bolt in Stainless Steel to prevent this condition.

New York Bus Sales is offering that option on your new bus purchase and the kits are available through our Parts Department!

NEW BUS OPTION #BDY-156

PART # - ASY4526

**THANK YOU TO MIKE SOBEL AT WHITESBORO CENTRAL SCHOOL
FOR POINTING THIS OUT TO US**

UPDATE: May 12, 2018

Recently Blue Bird released an updated Cross-View mirror mount from Rosco on the Vision (BBCV) product, please see below.

CROSS-VIEW MIRROR MOUNT - BBCV

Blue Bird and Rosco have worked together to improve the design of the cross-view mirror mounting on the Vision product. This change will include the bell mount as standard. To aid in controlling this change, new features for crossview mirrors are being released. The change will require that all your quotes be updated to new the features.

This change will be effective with BBCV units with body set-up of March 26th, 2018 and later. In house orders with set-up date of March 26th and later will be updated to the new features.

30484-17 MIRROR, CROSSVIEW, EYE-MAX LP – STD BBCV Rosco asymmetric shaped Eye-Max LP tunnel/tube mount crossview mirror system. Mirror arms will be painted black steel.
